

BSB51315 Diploma of Work Health and Safety

Course Overview:

The Diploma of Work Health and Safety is suitable for people who coordinate and maintain the Work Health and Safety (WHS) program in an organisation. It reflects the role of practitioners who apply a substantial knowledge base and well-developed skills in a wide variety of WHS contexts.

Relevant Job Roles:

- Senior Work Health Safety Officer
- Work Health Safety Manager
- Work Health Safety Consultant

Distance Learning:

Distance learning students can choose their electives and timeframe for completion of training. Timeframes will be negotiated with the trainer but the Australian Qualification Framework (AQF) suggests that a student should complete this qualification between six months to two years. A My Qualification Plan (MQP) and Training Plan (TP) will be put in place to assist through the learning program.

Face-to-Face Schedule:

For course bookings, please contact our administration team.

Entry Requirements:

All core units in BSB41415 Certificate IV in Work Health and Safety or equivalent competencies.

Equivalent competencies are predecessors to the following units which have been mapped as equivalent:

BSBWHS402 Assist with compliance with WHS laws, BSBWHS403 Contribute to implementing and maintaining WHS consultation and participation processes, BSBWHS404 Contribute to WHS hazard identification, risk assessment and risk control, BSBWHS405 Contribute to implementing and maintaining WHS management systems, BSBWHS406 Assist with responding to incidents

Students will need appropriate language, literacy and numeracy skills to complete the training and assessment requirements.

Recognition of Prior Learning (RPL):

You can apply for RPL if you have the knowledge and skills gained through work, formal study, volunteering, informal or formal training, social activities or general life experiences. If you feel that you may qualify for RPL, please contact our office for further information about the process to demonstrate your experience and knowledge.

Resources Required:

Students are required to have access to a computer (or use Alana Kaye's computer lab) to complete assessment tasks. Alana Kaye are conscious of the environment and where possible, provide resources and assessments in an electronic format. If possible, please bring a laptop to workshops.

Distance learning students must have access to a computer, internet and Skype.

Flexible Delivery Modes:

Alana Kaye provides a number of options for flexible delivery of qualifications. These include a variety of different methods of training such as face-to-face workshops, distance learning, Recognition of Prior Learning (RPL) or mixed delivery. Selection of elective units can also be tailored to individual requirements following discussions with the Alana Kaye team.

Investment:

Enrolment Fee	\$400.00
Course Fee	\$3,800.00
Recognition of Prior Learning	\$180.00 per unit

Students are responsible for the purchase of text book/s relevant to this qualification. Payment plans are available.

Inclusions:

- Course learning and assessment material (excluding text book/s)
- Coffee and tea
- Certification upon successful completion

Payment Plans:

Alana Kaye believes that everyone should have access to quality education, which is why we have a range of payment options to choose from.

Up-front Payment:

Available for each of our courses, up-front payment includes all course costs, which are paid in full at the time of enrolment. You can pay via VISA, MasterCard or bank deposit.

Instalment Plan:

Your total course costs are calculated and split across a regular number of payments. This requires an initial deposit (Enrolment Fee) and the cost for the first unit to be paid up front. Students are then required to pay for the next required unit before commencement. The Qualification will not be awarded until all payments are received.

BSB51315 Diploma of Work Health and Safety

Pathways:

Prior to studying this course, students must have satisfactorily completed the core units in BSB41415 Certificate IV in Work Health and Safety or hold equivalent competencies. Graduates may choose to progress to BSB60615 Advanced Diploma of Work Health and Safety.

Course Outline:

This qualification comprises of 9 units of competency (subjects).

Units of competency can either be:

- Core units – units you must complete as part of the qualification and
- Elective units – elective units are the units that you choose to be most suitable for your learning needs

For our face-to-face workshops, we have chosen the elective units that we know are most beneficial and relevant to the majority of our students. These are the ones ticked below. If you would like to study different elective units, please contact Alana Kaye to discuss the options available for flexible delivery.

The BSB51315 Diploma of Work Health and Safety has 5 core units and 4 elective units of which:

- 5 elective units must be selected from the core units below
- At least 3 units must be selected from Group A listed below
- The remaining 1 unit may be selected from Group B listed below or, any currently endorsed Training Package or accredited course at Certificate IV, Diploma or Advanced Diploma level.

Elective units must be relevant to the work environment and the qualification, maintain the integrity of the AQF alignment and contribute to a valid, industry-supported vocational outcome.
